Notice to Institutional Members for the Year 2024

The subscription to the Society is **£30.00** or **US\$60.00**. If your institution pays through an agent, no further action concerning the subscription is necessary. For all other institutions an invoice is enclosed with this notice. If your institution is not intending to renew its subscription, please inform the Membership Secretary immediately.

The dollar rate includes a sum to cover bank charges for handling foreign currency. Any American institution may pay £30.00 in sterling, but **all bank charges must be carried by the member**.

For the annual subscription, institutional members receive one copy of each volume of the Society's Original Series published during that year.

Volumes for 2024 will be:

- OS 364. *History of the Early English Text Society, Volume I. Frederick James Furnivall: The Early Years, 1825–1864*, by Helen Leith Spencer.
- OS 365. Osborn Bokenham, *Lives of the Saints, Volume III*, ed. by Simon Horobin.

Publication of the year's new volumes usually occurs in the autumn.

One text for subscribers for 2023, OS 363 *The Trinity Homilies*, ed. Bella Millet has taken longer to produce than expected. Subscribers for 2023 will receive OS 363 in spring 2024.

From time to time the Society may publish further volumes in its Supplementary Series. This consists of occasional, individually priced volumes, outside the annual subscription entitlement. There will not be a volume in the Supplementary Series in 2024.
